

CUSTOMIZED PROFILE

Feature :

Customized Linear Solution for Extruded Aluminum Profile with highest standard 6063-T6 aluminum, and Opal PMMA Diffuser / Micro Prismatic Lens / Microprismatic Lens + PMMA sheet, Silicone.

Different lens configurations can also be applied to achieve the desired beam spread and intensity, provide a softer light output and help in evenly distributing light, reducing glare.

The Profile available with Surface Mounted / Suspended Light, can be made in various lengths to fit specific spaces, with custom shapes and curved, with specific angled profiles.

The aluminum can be powder-coated or anodized for enhanced aesthetics and additional protection.

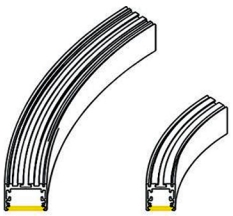

Control Options: ON / OFF - DALI Dimmable - RGB - RGB DMX - Tunable White.

CRI>80 / CRI>90 , Light Source: SMD 2835

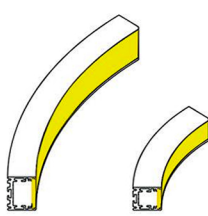

Fields of Application:

Retail
Education
Galleries hotels
Living spaces
Offices

Inward & Outward Light

Customize Profile Types :

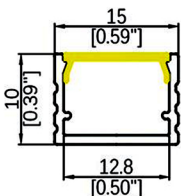

Standrad Length: 3.1m

Width: 40-200mm

Bend for down light

R>50mm Can be connected with 48/58/68/78/98 Wide integratedaluminum profile.

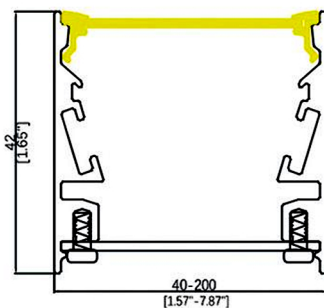

Standrad Length: 3.06m

Diffuser: Silicone.

Down light R>180mm

inward or outward light R>150mm

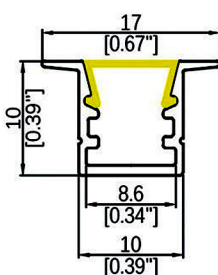

Standrad Length: 3.1m

Width: 40-200mm

Bend for down light

R>50mm Can be connected with 48/58/68/78/98 Wide integratedaluminum profile.

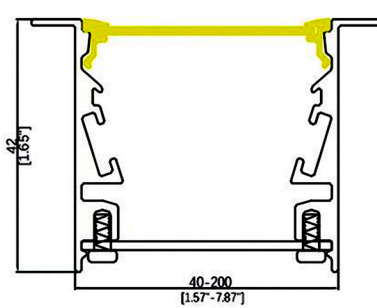

Standrad Length: 3.06m

Diffuser: Silicone.

Down light R>180mm

inward or outward light R>150mm

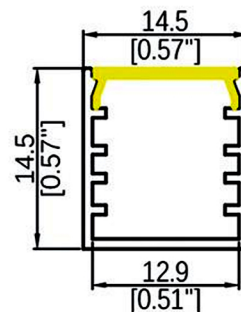

Standrad Length: 3.1m

Width: 40-200mm

Bend for down light

R>50mm.

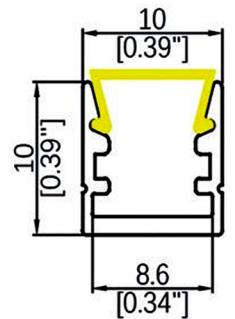

Standrad Length: 3.06m

Diffuser: Silicone.

Down light R>180mm

inward or outward light R>150mm

Standrad Length: 3.06m

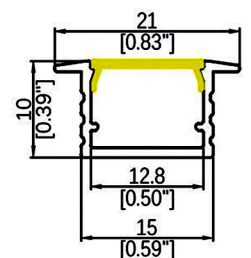

Width: 40-200mm

Diffuser: Silicone

Bend for down light

R>180mm Inward or

Outward light R>150mm

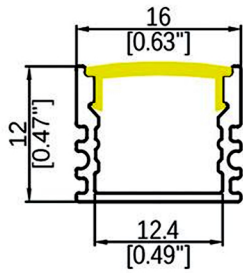

Standrad Length: 3.06m

Diffuser: Silicone.

Down light R>180mm

inward or outward light

R>150mm

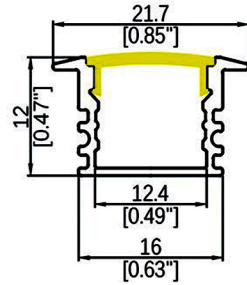

Standrad Length: 3.06m

Diffuser: Silicone.

Down light R>180mm

inward or outward light R>150mm

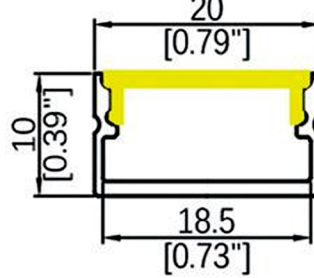

Standrad Length: 3.06m

Diffuser: Silicone.

Down light R>180mm

inward or outward light R>150mm

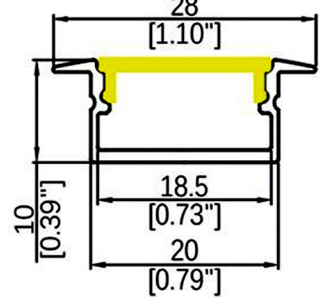

Standrad Length: 3.06m

Diffuser: Silicone.

Down light R>180mm

inward or outward light R>150mm

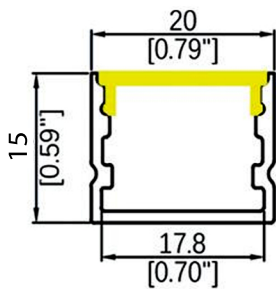

Standrad Length: 3.06m

Diffuser: Silicone.
