

## HALVES

### Description:

HALVES is a Compact trim inground luminaire constructed from high-quality 6063-T5 aluminum with a SUS316 stainless steel cover ring for superior corrosion resistance and durability.

Features a surface screwless design for a clean, modern appearance. The luminaire is equipped with toughened clear glass, optionally available with half black-printed glass or honeycomb louver for enhanced anti-glare performance.

Built-in optical lens offers a range of beam angles from narrow to wide, ensuring precise light distribution for various outdoor applications. Ideal for underground installation in squares, gardens, pathways, and architectural landscapes.
